# Mid America River Expo

**Mid America River Expo:** The U.S. Coast Guard sponsored Expo hosts food vendors, booths, antique boats, musical entertainment and segway rides from 1—5 p.m. The theme of this years Mid America River Expo is “Boat Smart, Boat Safe”.

**Live Pelican Show, 12pm, 1pm, 2pm:** This program, sponsored by the Meeting of the Rivers Foundation and presented by World Bird Sanctuary, lets the public get an up close look at an American White Pelican. It is a 30 minute demonstration that will include a pelican presentation and powerpoint show.

**Segway Rides:** Learn the basics in Segway 5-4-5, a quick training session offered by the St. Louis Science Center has been designed to get you moving on a Segway. Learn what makes them tick, what's safe and what's not, and learn to ride and glide for a whole new method of transportation. Must be 12 years old and between 100 and 260 lbs. Segway rides are \$5.00 per person and last 5 minutes.

**Boating Safety Class:** Taking a boat safety course will not only teach you about boater safety and Illinois & Missouri boating laws, but may also make you eligible for a discount on your personal watercraft (jet ski) or boat insurance! By attending the class and passing the final exam, students are issued a Boating Safety Certificate.
